To Whom It May Concern:

This letter is to confirm that Ali Jawaid of the university of Karachi registered for the 2026 Sagan Summer Workshop on "Exoplanets with Roman Surveys: Microlensing and Transits". The workshop was hosted by the NASA Exoplanet Science Institute at the California Institute of Technology in Pasadena, CA.

The workshop was held as a hybrid workshop on July 20-24, 2026 with both in-person and remote attendance via a Zoom webinar. The workshop included lecture presentations, hands-on sessions, poster sessions, and the opportunity to meet with the speakers. More information on the workshop, including the agenda and links to the recordings of the presentations, can be found at: https://nexsci.caltech.edu/workshop/2026/.

Ali Jawaid attended the workshop remotely via the Zoom webinar during the week of July 20-24.

Please let us know if you have any further questions.

Sincerely,
Science Affairs Team
